

## 3-YEAR SEMINARY RESIDENCY

Thanks for your interest in our 3-year seminary residency! Training up the next generation of church leaders and missionaries is one of our passions, and this residency provides us an incredible opportunity to do that. In this program you'll work towards a fully accredited Master of Divinity through Faith Bible Seminary (Lafayette, IN) while serving our church. And the best part is, *the cost is nearly free!* You'll pay a minimal cost for your degree as you study for three years while serving at Rock Point under a pastoral team that is committed to helping you discern and develop your ministry giftings. Our pastors will give you many opportunities to grow your abilities to lead, teach, and disciple in the local church, and afterwards we'll send you out to serve the local church state-side or globally. You'll also benefit from spending three years building relationships in a healthy staff environment. We hope you'll prayerfully consider this opportunity as the next step of your ministry journey.
