### LONG TERM MISSIONS/MINISTRY ANNUAL SUPPORT APPLICATION (TERM OF SERVICE 1 YR OR MORE) – REVISED April 2019

At Rock Point Church, we believe that the local church is the hope of the world and the means by which the Gospel will move forward around the globe. In turn, we believe that church planting is one of the primary ways that we as a church *love our world*. We believe THE most beneficial thing for every community is a church that proclaims and embodies the Gospel of Jesus. We believe the Church is THE BEST organization on earth, and will survive as long as time itself.

We are committed to planting churches in strategic areas all over the world. We want to join God in his work and therefore will intentionally invest in specific areas and endeavors where he has led us with special emphasis given to church planting.

We are called to be good stewards of our financial resources which, unfortunately, fall short of the needs of the world. There are several factors we consider when evaluating requests for support. **The primary factor in every evaluation will be the alignment of the work with our vision to plant churches and how the work impacts that vision.** Other factors to be considered include (but are not restricted to): location, duration and nature of work; affiliated Field Partner; covenant membership and service of a Bible-believing church, your personal testimony and level of preparation.

A team of Rock Point elders and leaders will prayerfully review your request and advise you of their decision within 4-6 weeks of submission. The attached application may be completed and returned to the church office of Rock Point Church.

In all things, we ask and trust the Lord to lead us in advancing his kingdom. Thank you for your willingness to serve Christ and we pray the Lord's blessing on your plans and ministry.
