

SUMMER STUDENT MINISTRIES INTERNSHIP

Thanks for your interest in our student ministries internship! Our church is passionate about teaching God's Word to middle and high school students so that they believe the gospel and learn to apply it in their lives. And we love training others to do the same! Student ministry interns at Rock Point receive many opportunities to grow in their abilities to teach, lead, and disciple students. Our pastoral team will help you discern and develop your ministry giftings as you build relationships with our church staff and student ministry leaders.
